**Attorney Preston Castille
Election Committee Chairman
Post Office Box 2471
Baton Rouge, La. 70823**

Dear Mr. Castille,

This letter of intent confirms my commitment and desire to run for the Sergeant at Arms position for the Southern University National Alumni Federation.

I joined the Atlanta Chapter of Southern University Alumni over twenty years ago after obtaining a Bachelor of Science in Accounting in 1976. My family represent four generation of graduates from north Louisiana to receive a college degree from Southern University. Upon graduating from Southern it was my desire to get involved with the alumni to help provide assistance to build a stronger more viable alumni base.

My spare time is devoted to volunteering in both community and church as a mentor to young adults. I have served as President of many organization that impact the empowerment of students and the importance of an education as they grow into young adults seeking to becoming productive individuals in our society. Using these venues I have been able to introduce students in the metro Atlanta area to Southern University and shared my experience at our great institution.

I'm currently employed at Spelman College where I manage the Accounts Payable department with four employees and two work study students. Leaving corporate America to work in the academia world has been the best gift I could have given myself.

I hereby solicit your vote to be part of a new stronger executive board whose desire is to build a stronger diverse alumni across the nation.

Thank

Patricia Johnson
